

Product Change Notification

This letter is to inform you that Samsung Electronics executes the following label changes effective Mar. 3rd. 2021 (Manufacturing date).

1. Standardize “Reel and Aluminum bag labels”,
 2. Standardize “Inner box” labels and
 3. Standardize “packing list” by adding “2D bar-code” and “information bar-code” to lighting LED packages.
- Products affected: All standard Lighting LED packages except filament LEDs.
- * Note: The change does not affect already established non-standard labels.
